# AMERICKÝ BAR

Americký bar je nejstarším barem v Praze a druhým nejstarším barem v Evropě. Jeho historie sahá až do začátku minulého století, kdy byl patrně prvním významnějším veřejným místem, ve kterém se odrážely myšlenky z „Nového světa“, jež byly tehdy vzorem, a konkretizovaly vlastenecké a politické ideály doby při zakládání vlastní demokratické republiky. Není tedy divu, že tady lze vysledovat i vliv Spolku amerických žen. Právě ženy zde mohly bar navštěvovat samostatně bez doprovodu mužů.

Atmosféru chicagského baru začátku století vytvářejí černé keramické obklady na sloupech a k nim jako kontrast kolorované kresby Mikoláše Alše s lidovými motivy. Podle dobových fotografií byl také nově navržen barový pult z černého mramoru, s bočními prosklenými nástavci. Dominantou stropu je hlavní lustr dodaný Františkem Křížíkem, řešený jako mozaikový vitrážový věnec se čtyřmi diamantovými kazetami.

Americký bar na Vás jistě zapůsobí neopakovatelnou atmosférou, ve které si můžete vybírat ze široké nabídky koktejlů, špičkových destilátů nebo šampaňského. Doufáme tedy, že i Vy strávíte v Americkém baru příjemné chvílky a ochutnáte výtečné koktejly namíchané naším profesionálním barmanem. Vítejte u nás!

# AMERICAN BAR

*American bar is the oldest bar in Prague and the second oldest in Europe. Its history dates back to the beginning of past century when it was apparently the first significant public place where thoughts from "New World" were reflected. Therefore, it is no wonder that an influence of American Women Society can be traced down to this Bar which they could visit without being accompanied by men.*

*Black ceramic tiles on pillars create unforgettable atmosphere of Chicago bar from the beginning of this century with a contrasting colorized drawing of Mikoláš Aleš with folk motives. Bar was newly designed from black marble with glass side extensions, all according to historical photographs. The dominant feature is the main ceiling chandelier supplied by Frantisek Krizik, stained glass mosaic designed as a wreath, with four diamond cartridges.*

*The American bar will certainly impress with the unique atmosphere in which you can choose from a wide range of cocktails, spirits or champagne. We truly believe that your time spent in American bar will be enjoyable, filled with delicious cocktails prepared by our master bartenders. Welcome!*
